Hi John,

I apologize, I'm afraid we have to postpone to next week. I'm trying to schedule another supervisor to this meeting as well so that the impact or adjustment needed to the landscape/irrigation can be put into consideration. What I have in mind is Tuesday (3/10) 10 AM. But let me re-confirm again on Monday.

Victor,

I have a early chamber meeting in the morning, but would be available after 10:00. Would that work with your schedule?

Would we meet at the Y corner?

John

Just a follow up, regarding the east side, do you want to meet? Please let me know. I'm available tomorrow in the AM but I'm off Friday.

Thanks,

Victor

Hi Don and John,

I was actually planning to go out to the west side of the site with a UFD superintendent on Monday. If you are available, we can probably meet at take a look at both east and west side and address all the needs.

Please let me know if Monday 10 AM works for you.

Thanks,
